

*Nature's Natural
Resource!*

www.ZeoFill.com

Benefits of using ZeoFill "Infill" for Artificial Grass:

- Best solution to pet odor issues on artificial grass
- 100% Safe for children and pets
- Helps control pet odors on contact
- Will work instantly combined with any other turf infills
- Add ZeoFill to existing turf applications
- One time application for small to medium size dogs
- Purest pet deodorizer in the world & Made in USA (97.6% Pure)
- Keeps the grass cooler for longer periods of time than other infills
- Cools turf fibers and other infills by evapotranspiration
- 100% Permeable which will NOT clog drainage holes in your turf
- Will not shred turf fibers (Less impurities means pure quality)
- Save Precious Water / No need to water the urine out
- ZeoFill work better dry, but will still work wet
- Will work with liquid enzyme turf cleaners
- It will recharge itself with sodium ion from rainwater
- Tannish in color to match brown thatch (when wet it turns bright green)
- 100% Natural and Environmentally Safe with no additives
- Organic Certified through OMGI
- Recycle, Reuse, and Reduce

Only Pet Deodorizer - Approved by all Turf Manufacturers in USA
